

Background Researcher^(tech)

Name: _____ Group: _____

Book: _____

Author: _____

Reading Assignment: page _____ to page _____

Assignment:

The background researcher reads and identifies from the text when and where the writing occurred. Your task is to identify the historical time frame or location and research a topic related to that time or location of your choice. In the text, characters behave in a certain manner or events are described in a certain way, which reflects a specific period in time or location, this is known as the setting. You should investigate a topic of interest that happened in that specific time period or location of the setting, if the book is not story based, then identify a fact from the reading and research that fact and find something of interest to you. In the list below from the readings identify at least three statements that indicate the historical or locational (or factual) setting. Then go online and use research tool and search engines to research and find an associated website that you find interesting concerning that time or location and share your findings and websites with your group members in the shared chat or discussion space: giving the URL, describing the site and how it relates to the reading, and explaining why you found it interesting

Setting Statements:

Page/Paragraph/Line	Year/Location	Sentence
1		
2		
3		

Interesting web sites findings:

URL – Title – Reading associating – Description – Interest
